

# HOW to JOIN CCPL

## CCPL (Cuyahoga County Pistol League)

**Thank you for your interest in joining our league.**

### **INDIVIDUAL JOINING CCPL LEAGUE:**

In order to join you must be a member of an existing or new team.

This rule applies mainly because we are a League that sponsors team competition even though we do give out awards for individual achievements

League membership is currently \$70 that includes all Range Fees, Dinner and Awards

Team membership, cost and rules is dependent on the team you join

You welcome to browse through our main page Official League Information to get an idea of what awards and prizes are available each season.

After looking through our league information if you're interested watching an actual match you can contact a Team Captain of a team you're interested in joining and request to visit us on an actual match night. Please keep in mind that since this is a match night it is by Team Captains discretion to allow you to visit that night or not. There are many things, that have to be done and if the Captain decides he can not himself or have someone else escort you safely, then your visit may be denied.

**There are currently 7 teams available that you could join when signing up.**

Five are located in North Olmsted, Ohio and Two in Geneva, Ohio as listed below:
